

916 Education Foundation

Supporting Partners in Education

DEAR FRIEND OF THE 916 EDUCATION FOUNDATION...

The Foundation kicked off the 2013-14 year with a successful membership drive that raised \$46,732. We are especially grateful for the support and participation of the Northeast Metro 916 staff, whose memberships are a valuable source of support. We proudly recognize HealthPartners, Kraus-Anderson Construction Co. and Marsh & McLennan Agency as Business Partners.

The 23rd Annual Gala was the most successful in our history, raising \$34,049, including our Fund-a-Need. We ended the year with our Golf Tournament raising \$17,968, another successful event. Because so many individuals, businesses, and service organizations were so generous, we were able to provide financial support to students, staff grants, and the programs of Northeast Metro 916.

We awarded 73 grants totaling \$42,456.75 to staff for equipment, needed programs and innovative ideas to impact the students. Member district students received \$27,500 through 37 scholarships awarded this spring. Each month throughout the year a Student of the Month was recognized within 16 program sites for reaching personal goals, and achieving remarkable growth to reach their individual potential. A special award was made when we provided \$15,576.61 to the new Karner Blue Education Center for a playground with adaptive equipment, so that physically disabled students and those with special needs for soothing play could have an appropriate outdoor site.

We appreciate all that each of you have done to make our financial support possible. You gave of your time, talent, and personal resources to support our Foundation and the wonderful students and talented staff who work with the students each day. We know the Foundation's support of the career and technical programs, special education, our area learning centers, and Valley Crossing would not be possible without your generous help.

You may keep up-to-date with us via our web site at www.916educationfoundation.org where you can find more information about the work of the Foundation and to "Like" us on Facebook for timely notifications of our events.

Best regards and thank you,

Antoinette F. Johns
